

DEEP SOUTH BIOSAFETY WORKER TRAINING PROGRAM

WEBINAR SERIES

COVID-19 in Pediatrics

Tuesday
July
28
12:00 – 1:00 PM CST
Cost: FREE

The webinar will discuss COVID-19 in pediatric patients specifically focusing on their pre-hospital management with a target audience of first responders.

We will review the epidemiology of COVID-19 in pediatrics, assessment and management of pediatric patients with suspected or confirmed COVID-19, prehospital management of pediatric respiratory emergencies and patients with COVID-19, discuss the emerging illness known as MIS-C, and review prehospital cases of pediatric patients with COVID-19.
