ABOUT THE KEYNOTE SPEAKER: Dr. Tremain is a Physician Advisor with Cynosure Health. He has championed quality and safety in various leadership positions over 27 years. Steve retired as CMO in December, 2009 from Contra Costa Health Services following over 31 years of service, 23 of which were in leadership roles. In addition, Dr. Tremain served as CMIO and is a Certified Professional in EMR's. Dr. Tremain was recently Physician Lead for both the Anthem Blue Cross Patient Safety First initiatives in California's Central Valley and for the Public Hospital Improvement Project in California. In addition he has performed hospital specific consultations in California and Florida. A graduate of the UCLA School of Medicine, he is board certified in Family Medicine and is a Certified Physician Executive. He is a Fellow of the American Academy of Physician Executives and a member of the College of Healthcare Information Management Executives.

This program is partially funded by the Mississippi State Department of Health, State Office of Rural Health, and the Federal Medicare Rural Hospital Flexibility Program (FLEX) Program.
