

Evacuation and Shelter-in-Place

Wednesday June 3, 2015 • 10:00 a.m. – 11:00 a.m. CST

Hospital Administrators, Healthcare Emergency Directors, Managers, Coordinators, and Associates should take advantage of this informative 1-hour FREE Webinar on:

⇒ Shelter-in-Place

- Structural and geographic assessment (Hard structure, Infrastructure)
- Capability to provide a safe environment (Mitigation against hazards)
Capacity for care

⇒ Evacuation

- Pre-determined receiving areas or facilities
- Paper tools (TAL, Interact[®], patient and staff tracking forms)
- Assistance required for various types of individuals (ambulatory, chair bound, cardiac impaired, mobility impaired, bed bound)
- Preparing the patients/residents
- Types of vehicles and possible source
- Receiving facilities
- Provision of care

SPEAKERS

DAVID BURICH

Clinical Education/Research Coordinator
Yale New Haven Center for Emergency Preparedness and Disaster Response

David has 25 years of experience nursing as an RN and APRN and 40 years of experience as a fireman, HazMat Technician, and Paramedic, EMT, EMS instructor and infection control officer. He is a member of the CT State EMS Training Committee and CT-1 DMAT.

WILLIAM HALSTEAD

Emergency Management Analyst
Yale New Haven Center for Emergency Preparedness and Disaster Response

William has over 15 years of experience in public safety. He has extensive experience in regionalization, including multi-state catastrophic disaster planning and federal disaster assistance programs.

A registration form is required. **Complete the form above and fax to Valarie Jackson at 601-368-3200 or email to vjackson@mhnet.org.** An email confirmation will be sent to you. You will also receive a detailed email with login information and instructions, closer to the training date.

This training is funded through an Assistant Secretary for Preparedness and Response (ASPR) grant CFDA#93.074 to the Mississippi State Department of Health (MSDH) in collaboration with the Mississippi Hospital Association—Health, Education, and Research Foundation.
